

## SAFETY DATA SHEET

<b>Section 1</b>	<b>Identification: Product identifier and chemical identity</b>
------------------	---

Product Name: Salmon/Trout IGF-II  
 Description: Freeze-dried preparation of recombinant salmon/trout insulin-like growth factor-II  
 CAS number: 96081-16-2 (Human IGF-II)  
 Use of Substance: Laboratory chemical.  
**This product is not intended for human or therapeutic use**

Company: GroPep Bioreagents Pty Ltd  
 PO Box 10065  
 Adelaide Business Centre  
 Adelaide SA 5000  
 Australia  
 Telephone: +61 (0)8 7222 1051  
 Product Codes: ATU020, ATU100

<b>Section 2</b>	<b>Hazard Identification</b>
------------------	------------------------------

Classification: Not a hazardous substance or mixture.  
 GHS classification: Does not meet the classification criteria of NICNAS, EC Directives 67/548/EEC, 1999/45/EC or 1272/2008  
 GHS labelling: Does not need to be labelled in accordance with EC directives or respective national laws.  
 Special hazards: None

<b>Section 3</b>	<b>Composition and information on ingredients</b>
------------------	---

Salmon/Trout insulin-like growth factor-II                      % w/w 85 - 99

<b>Section 4</b>	<b>First Aid Measures</b>
------------------	---------------------------

Inhalation: If dust is inhaled, remove from contamination. Encourage patient to blow nose to ensure clear breathing passage. If irritation or discomfort occurs, seek medical attention  
 Skin contact: In case of contact with skin, wash the affected area with soap and water. If irritation or discomfort occurs, seek medical attention  
 Eye contact: In case of contact with eyes, flush thoroughly with water and seek medical attention  
 Ingestion: In case of accidental swallowing, rinse the mouth with water and seek medical attention

<b>Section 5</b>	<b>Fire-Fighting Measures</b>
------------------	-------------------------------

Protection against fire: No special requirements  
 Suitable extinguishing media: Water Spray, Dry Chemical powder or appropriate foam  
 Unsuitable extinguishing media: None  
 Hazardous combustion products: None

## **Section 6                      Accidental Release Measures**

Personal Precautions: See Section 8  
Cleaning Method: Carefully sweep up powder, place in a closed container and hold for waste disposal. Wash area thoroughly with water after clean-up is complete

## **Section 7                      Handling and Storage**

Handling: Avoid generating or breathing dust. Limit all unnecessary personal contact. Standard laboratory practices recommended  
Storage: Store at 2 - 8°C

## **Section 8                      Exposure Controls / Personal Protection**

Eye Protection: Safety glasses or goggles required  
Hand Protection: Wear general protective gloves e.g. light weight rubber gloves  
General Hygiene: Handle in accordance with good industrial hygiene and safety practices

## **Section 9                      Physical and Chemical Properties**

Appearance: White/creamy, odourless crystalline powder  
Solubility: Partially soluble in water

## **Section 10                     Stability and Reactivity**

Reactivity: No data available  
Stability: Stable under normal conditions  
Conditions to Avoid: None known  
Incompatible material: None known  
Hazardous decomposition: None known

## **Section 11                    Toxicological Information**

Acute Toxicity: No known significant effect  
Irritation: May irritate skin and/or eye  
Sensitization: No known significant effect  
Carcinogenicity: No known significant effect  
Mutagenicity: No known significant effect  
Teratogenicity: No known significant effect

## **Section 12                    Ecological Information**

Ecotoxicity: The substance is readily biodegradable  
No known data

## **Section 13                    Disposal Considerations**

Waste Disposal: Handle in accordance with local, state and federal regulations

## **Section 14                    Transport Information**

Transport Regulations: Not subject to current regulations for transport of hazardous materials according to IATA, IMDG, DOT, ADR/RID/ADN

<b>Section 15</b>	<b>Regulatory Information</b>
-------------------	-------------------------------

Not classified as hazardous according to OHS/SARA/CWA/CAA  
Not classified as hazardous according to EC 1272/2008

<b>Section 16</b>	<b>Other Information</b>
-------------------	--------------------------
